Internal development

Working methods

- workgroups on EB-level
- workgroup-sessions, new!
- congress structure

Structure

- new structure is built up, implementation started
- new function: National Representative

EFPSA became...

...more conscious, more transparent, more functioning

Challenges

- Some workgroups did not work properly
- Some services need huge development

- 3000 is not equal to 30.000
- 526 is not equal to 60.000
- 19 is not equal to 50

MAIN RESULTS OF THE CONGRESS

- 4 new member countries
- New structure accepted, implementation started
- New membership fee introduced
- Voting on congress organising in 2 years accepted

New member countries

We now have 22 members, more than ever.

Belgium

Bosnia & Herzegovina

Croatia

Czech Republic

Estonia

Finland

France

Germany

Hungary

Lithuania

Luxembourg

New EFPSA Structure

Bodies of EFPSA

Members of the Executive Board, EBM=EB-member

Members of the General Assembly, NR=national representative

Externally communicated EFPSA-level activities

End product or target of an internal EB-task

EB-members and NR-s

NR's tasks

- Vote on proposals for changing the statutes, presented in General Assembly, on behalf of their organisations
- Approve financial report and plan
- Elect President and Vice-President(s)
- Represent the interests of the psychology students of their country in the GA
- Create and maintain an effective link between EFPISA, the national and local organisations and the students
- Help the EB member on his/her tasks if needed

EB-members and NR-s

Future (in one year...)

- every member-country has a NR
 - every member-country can have EB member(s)
 - non-member-countries can have an observer in the EB
-
- Voting on the exact conditions at the next GA, at the EFP SA congress in 2005
