hosting an EFPSA Event		
8. Selection of Congress 2021 Coordinator	<ul style="list-style-type: none"> <li>- YWC: I would like to welcome org com and coordinator to give that presentation here.</li> <li>- Eefje S: I am the former MR of Netherlands. We will tell you what we plan and what we want you to experience during the Congress 2021 in the Netherlands. The theme would be: The paradox of an open mind. The Netherlands is an open minded country, therefore would like to discuss it. Lectures: Presented 3 lecturers. Venue: Old monastery. There only will be EFPSA people which is beneficial for our EFPSA spirit. Social events: Cycling, Jumping of water with the stick (traditional Dutch games). Why we think we are able to do this? We have a lot of experience in our MO where we organised different events. Also we have EFPSA experience and we are EFPSA dinosaurs. We already have our org com. Some are part of EFPSA and the others are not. Sponsors and partnership (list on presentation): Our sponsors decided to sponsor 30.000 €.</li> <li>- YWC: Now is time for questions. If you have any please raise your hand and say it now.</li> <li>- Hector (Spain): Will everything happen at the venue or will be moving around?</li> <li>- Eefje S: Everything will happen at the monastery.</li> <li>- Hanna (Luxemburg): Do you want to spend the money/funding on something special?</li> <li>- Eefje S: No, we will need the money, so nothing special.</li> <li>- YWC: This was the last proposal. You can give your votes now. We will count the votes,</li> </ul>	<p>In favour 56</p> <p>Against 2</p> <p>Abstaining 0</p>
