

Role description:

An EFPSA Social Impact Initiative (SII) National Coordinator (NC) is a contact person between the Local Coordinators (LCs) and the EFPSA SII team. It is a position for people who are interested in implementing and/or further developing the “Mind the Mind - to Combat the Stigma of Mental Disorders” campaign in their country. The applicant is preferably a current or previous Local coordinator of Mind the Mind or a volunteer of Mind the Mind. A candidate NC is also required to have a good knowledge of the English language (upper-intermediate B2 level).

The main responsibilities of NCs are:

- coordinating a group of Local Coordinators on behalf of EFPSA SII,
- being the link person between SII team and LCs (get information from SII and pass it on to LCs, report back from LCs to SII);
- have an overview of how the campaign runs in their country, also by having regular meetings with their LCs;
- providing LCs with materials, guidelines, and information and distributing tasks to them;
- helping LCs with all their tasks (translation of all the necessary documents, contacting schools and other organisations, promotion of the campaign, gathering volunteers, organisation of volunteers' training and lecture on psychopathology, evaluation process, ...);
- helping LCs with any problems they might face;
- be in charge of the Facebook and/or Instagram page of their country if they have it (there should be only one page/account per country);
- at the end of the wave, help find their successor and new potential LCs for the next wave, enabling the campaign to grow even more

The SII team will select 1 National Coordinator (NC) per country. Each NC will get a mentor – a member of the Social Impact Initiative – that will guide them and help them with their tasks throughout the whole mandate.

For the rough timeline of tasks, please check Local Coordinators' Role Description. To apply, please fill in the online application available [here](#). **The call is open until the 21st of August, 23:59 CEST.**
